

**AGREEMENT FOR SCIENTIFIC AND TECHNICAL COOPERATION BETWEEN  
SOUTHEAST ASIAN FISHERIES DEVELOPMENT CENTER  
AND  
JAPANESE SOCIETY OF FISH PATHOLOGY**

This document is an agreement for scientific and technical cooperation between the Southeast Asian Fisheries Development Center (hereinafter referred to as SEAFDEC) and the Japanese Society of Fish Pathology (hereinafter referred to as JSFP). The Aquaculture Department (AQD), on behalf of SEAFDEC, takes responsibility in the implementation of the scientific and technical cooperation between SEAFDEC and JSFP. The scope of the cooperation between SEAFDEC and JSFP is listed as follows:

1. SEAFDEC and JSFP will exchange scientific information.
2. JSFP will provide the society journal "FISH PATHOLOGY" to SEAFDEC.
3. SEAFDEC and JSFP will make plans together in order to achieve an effective scientific cooperation including scientific seminars.
4. This agreement shall be for a period of five (5) years and may be renewed on a yearly basis by mutual consent of both parties. Either party may request for the renewal of this agreement by submitting a written request one month before the expiration of the agreement.
5. Irrespective of the term of the agreement mentioned in the foregoing article, this agreement may be terminated by either party by informing the other party in writing at least 3 months before the intended termination date.

IN WITNESS WHERE OF, each of the parties has caused this contract to be executed in duplicate originals by its duly authorized representatives on the respective dates entered below.
