

The 9th

Asia-Pacific Marine Biotechnology Conference

July 13(Fri.)-16 (Mon.), 2012 Kochi City Cultural Plaza "CUL-PORT", Kochi, Japan

Important Due Dates:

- Abstract submissions close March 30, 2012
- Early bird registrations close May 31, 2012

It is my great pleasure to cordially invite you to "The 9th Asia-Pacific Marine Biotechnology Conference" at CUL-PORT in Kochi, Japan.

APMBC was initiated in 1995 and has since been an international forum for sharing new developments in various areas of marine biotechnology. The 9th APMBC will focus on new progress in particular fields of marine biotechnology as the tradition of this series of the conference.

Thank you very much and hope to meet you in Kochi soon,

Chair of the 9th APMBC, Kimio Fukami

1st circular

Session Topics:
